

**SPLASH CLUB APPLICATION
2017-2018**

SPLASH stands for Students Protecting Land and Sea Habitats. Our focus is to help take care of the environment, as well as educate others about what they can do to help. Members of SPLASH club participate in cleanups at local beaches and parks. We also volunteer at the local environmental center and other schools. There is a certain pride that we uphold with helping our community. Those who fulfill their SPLASH community service hour requirements, and remain in good standings within RRHS, are eligible to go to the county's environmental center, the EMC, to kayak and participate in activities and to learn about the environment we work on protecting.

We keep our members informed through Twitter, Facebook, and the Remind 101 app.

To be a member, you must have an unweighted 2.0 GPA, complete 6 hours of service per semester, and attend 70% of meetings. You do not need to be in a certain grade to join. If you fail to uphold these expectations, you will be put on probation, and if you do not fix the issue, withdrawn from the club. If you are accepted, there will be a \$10 membership fee for t-shirts and dues.
