

## Senior Lunch Application

Student Name \_\_\_\_\_

Student I.D. Number \_\_\_\_\_

### Parent Permission Agreement

My son/daughter has my permission to have the senior privilege of the seventh period lunch. I understand my son/daughter will not be eating lunch offered on the school campus. If the student's schedule includes classes at Marchman Technical Ed. Center or a class at RRHS that is only offered during seventh period, then a seventh period lunch will not be possible. **Failure to turn this form in by the due date below will result in a class schedule that does not include seventh period lunch.**

The following conditions are required to participate or continue to participate:

1. The student is classified as a Senior. (Cumulative unweighted GPA of 2.0 or greater AND 17 credits earned by the start of senior year)
2. The student has a ride home after 6th period.
3. The student leaves campus immediately at the end of 6th Period.
4. The student is not a PM bus rider.
5. The student has a completed Parent Permission Agreement on file.

If a student violates any of the five conditions at any time, their privilege can be revoked and a new schedule created with no parent consultation.
