Video Dedication

We now feature an app that allows you to bring photos to life. With the purchase of a full page, you will have the option to create and send in your own video. This may include video such as a slideshow, personalized message, old home movie, or anything else that your student might appreciate. By simply using the app to scan the photo printed on the page, the video will appear on your device from the book itself. There is a 3-minute video limit, and submissions must be sent before the listed deadlines.

See your yearbook come to life! Here's how:

1. Visit the App Store or Google Play and download the **Aurasma** app.
2. Launch the app and tap the account icon  in the upper-left corner to log in or create a new account.
3. On the Profile screen, tap **Done**.
4. In the Discover Auras search box, type **RRHSYearbook** and tap **Search** or **Done**.
5. Select **RRHSYearbook** and then tap **Follow**.
6. Tap **Back**, and then **Cancel** to return to the Explore screen.
