

ADVANCED PLACEMENT AMERICAN GOVERNMENT SUMMER ASSIGNMENTS

2018–2019

Tom Fleming

Welcome to the world of AP American Government. This course is a study of how the American Government works and the players who are involved; it also is one of the few Social Studies courses where most of the people we study are actually ALIVE.

This is not a college prep class, rather it is a class taught at a college level and college credit may be earned. If you are not willing to spend 6 hours a week outside of class studying for this course, please take American Government Honors or dual enrollment at Pasco-Hernando State College.

Please complete the following assignments over the summer and be ready to take a quiz on the Supreme Court Cases on the first day of school. If you fail to study the court cases, you will have a difficult time receiving an “A” or “B” in the course. The assignments are due July 30, 2018. The work that you are submitting is your own work. Do not use any work that you did not create. Your work is being submitted to a website that will compare your work with others.
