

# S.P.L.A.S.H

## Students Protecting Land and Sea Habitats 2019-2020

Name: \_\_\_\_\_  
Lunch number: \_\_\_\_\_

Grade: \_\_\_\_\_  
Shirt-Size(S-2X): \_\_\_\_\_

The focus of our club is to help take care of the environment, as well as educate others about what they can do for the environment. Members of SPLASH club will participate in clean-ups, such as the coastal clean-up, recycling and improving the environment around our school. We also partake in volunteering at environmental centers and other schools. There is a certain pride that SPLASH club members take in helping their community. Those who fulfill their SPLASH community service hour requirements (Specified amount will be stated during the first meeting), and remain in good standings within RRHS, are eligible to go to the county's environmental center (the EMC) and participate in numerous activities. We keep our club members informed through our Twitter, Snapchat and the Remind 101 app. (Info on these will be listed below). To be able to join SPLASH you **MUST** have a GPA of at least a 2.5 and attend the meetings once a month. All grades are welcome to join, but if the expectations listed above are not followed, you will be given a warning the first time and if the issue is not fixed, withdrawn from the club. If you are accepted, **there will be a \$15 membership fee** that needs to be turned in with **THIS** application to Mrs. Smith, room 2-110 A either during passing periods, before school or after school only!!!
