# Academies

- Career academies are small, personalized learning communities within a high school that select a subset of students and teachers for a two-, three-, or four-year span.
- Students enter the academy through a voluntary process; they must apply and be accepted with parental knowledge and support.
- A career academy includes the following essential elements:
  - \*A small learning community
  - \*A college-prep curriculum with a career theme
  - \*Partnerships with employers, the community, and higher education
