

Hello Candidate:

One criteria in the RRHS NHS application process is obtaining recommendations from teachers. Below are the Teacher Recommendation forms. It is your responsibility to furnish each teacher with a form. It is your responsibility to ensure that the forms are executed and returned to the NHS Adviser, Ms. Cardo. However, you are not collecting them. Do not wait until the last minute. If the forms and the recommendations are not received in a timely manner as described in the application, your application may be declined.

Good luck.
