

Senior Lunch Application

Student Name _____

Student I.D. Number _____

Parent Permission Agreement

My son/daughter has my permission to have the senior privilege of the seventh period lunch. I understand my son/daughter will not be eating lunch offered on the school campus (they may go to the cafeteria for a “grab and go” lunch). If the student’s schedule includes a class at RRHS that is only offered during seventh period, then a seventh period lunch will not be possible. **Failure to turn this form in by the due date below will result in a class schedule that does not include seventh period lunch.**

The following conditions are required to participate or continue to participate:

1. The student has a ride home after 6th period.
2. The student leaves campus immediately at the end of 6th Period.
3. The student is not a PM bus rider.
4. The student has a completed Parent Permission Agreement on file.

If a student violates any of the conditions at any time, their privilege can be revoked and a new schedule will be created.
