

# River Ridge High School

## Senior Lunch Application

---

Student Name \_\_\_\_\_

Student I.D. Number \_\_\_\_\_

### Parent Permission Agreement

My son/daughter has my permission for a senior privilege of seventh period lunch. I understand my son/daughter will not be eating lunch offered on the school campus. If the student's schedule includes classes at Marchman Technical Ed. or a class at RRHS that is only offered during seventh period, then a seventh period lunch will not be possible. **Failure to turn in this form by the due date below will result in a class schedule that does not include seventh period lunch.**

The following conditions are required to participate or continue to participate:

- The student is classified as a senior. (Cumulative unweighted GPA 2.0 or greater AND 17 credits earned by the start of senior year.)
- The student has a completed Parent Permission Agreement on file.
- The student leaves campus immediately following the end of sixth period.
- The student has a ride home after sixth period.
- The student is not a PM bus rider.

If a student violates any of the five conditions at any time, their privilege can be revoked or a new schedule created with no parent consultation.
