## SCHEDULE CHANGES

River Ridge High School's Master Schedule will be developed based on student requests. Please take careful consideration when selecting courses, as limited schedule change requests will be granted during the 2019-20 school year due to the Florida state-mandated Class Size Amendment. Some examples of situations that will NOT result in a schedule change are: different instructor, different lunch, no longer interested in the subject, or did not complete and return a course card in the spring.
