

Parent of Student with Medication in the Clinic:

This notice is a reminder that your child has medication in the school clinic that will need to be picked up on or before the last day of school on **May 29th, 2019**. In accordance with the District School Board of Pasco County's medication policy, students may not transport medications home.

If you are not able to pick up the medication or your child is attending the Extended School Year program, please call the clinic at **727-774-7212** to make other arrangements. **Medication that is not picked up will be properly disposed of by noon on May 30th, 2019**. We DO NOT retain any medication in the clinic over the summer break.

In case your child will need medication for the next school year, you will be mailed blank forms in an envelope in the beginning of May 2019, please make sure you fill out all the pertinent information and have the doctor fill out his portion where applicable. Those blank forms are put in this envelope for your convenience. If you should need any other clinic forms, they are under the "Clinic" tab on the RIVER RIDGE HIGH SCHOOL WEBSITE.

These forms are also available on the district website at:
http://www.pasco.k12.fl.us/ssps/programs/med_at_school

Have a wonderful summer!

Thank you,

Ann-Marie Corley
Clinic Assistant

Theresa Mundy, RN
Pasco County School Nurse
