

The purpose of the HOSA organization is to develop leadership and technical HOSA skill competencies through a program of motivation, awareness and recognition, which is an integral part of the Health Science Education instructional program. The mission of HOSA is to empower HOSA-Future Health Professionals to become leaders in the global health community through education, collaboration, and experience. HOSA is the only national student organization that exclusively serves secondary and post-secondary/collegiate students in pursuit of a career in the health professions.

The goals that HOSA believes are vital to each member are:

- To promote physical, mental and social well-being
- To develop effective leadership qualities and skills
- To develop the ability to communicate more effectively with people
- To develop character
- To develop responsible citizenship traits
- To understand the importance of pleasing oneself as well as being of service to others
- To build self-confidence and pride in one's work
- To make realistic career choices and seek successful employment in the health care field
- To develop an understanding of the importance in interacting and cooperating with other students and organizations
- To encourage individual and group achievement
- To develop an understanding of current health care issues, environmental concerns, and survival needs of the community, the nation and the world
- To encourage involvement in local, state and national health care and education projects
- To support Health Science Education instructional objectives
- To promote career opportunities in health care
