Already a MyStudent user? Do you have a MyStudent Parent Portal account already created? If yes, complete the information, sign the legal documents, then skip this step and proceed to step 2.

This process must be completed between now and August 3rd to ensure your account is activated in time for registration on August 4, 2023.

TO CREATE a MyStudent PARENT PORTAL ACCOUNT:

1. Navigate to the Pasco County Schools website: <https://pasco.focusschoolsoftware.com/focus/auth/>
2. Select Box A

If you have forgotten your Parent Portal password:

1. Navigate to the Pasco County Schools website: <https://pasco.focusschoolsoftware.com/focus/auth/>
2. Select Box C

Step 2: Step two involves paying student fees. There is a link in the messages section of your Parent Portal home page. Click on the text “Pay Student Fees” to initiate the process.

- If this is your first time paying fees online, select “Activate Account” on the screen. Enter the email address associated with your MyStudent Parent Portal account and select “Send Email” which generates an email to activate your account. Go to your email and select the link. Continue by creating your password. Once this is complete, you will be able to see the school fees based on your student’s courses and any other fees as needed (Seniors are required to pay their Class of 2024 fee).
- If you have paid student fees online before and have forgotten your password, you can click on the forgot password link for assistance.

Step 3: After paying fees, return to the MyStudent home screen. Complete the steps below to view the student schedule. 1. On the left side menu, click on your child’s name. 2. Select “Class Schedule”. The classes listed are the current schedule for your child. You can print the schedule by clicking on the blue PRINT SCHEDULE button at the top of the screen. These courses are connected to the fees that have been paid. **NOTE: Schedules could change prior to the start of the school year as we balance and level classes.**
