If off campus is requested, an Off-Campus Waiver must also be attached.
- If you do not agree with a teacher's recommendation, then please attach a Course Override Form.

## SCHEDULE CHANGES

River Ridge High School's Master Schedule will be developed based on student requests. Please take careful consideration when selecting courses, as limited schedule change requests will be granted during the school year. Some examples of situations that will **NOT** result in a schedule change are different instructors, different lunch, no longer interested in the subject, or did not complete and return a course card in the spring.
