

## RIVER RIDGE HIGH SCHOOL OFF-CAMPUS WAIVER REQUIREMENTS FOR ONLINE & DUAL ENROLLMENT STUDENTS

---

### Eligibility Expectations for Off-Campus Privileges

River Ridge High School offers students the opportunity to take online and dual enrollment courses that may allow for **late arrival** or **early dismissal**. Because these privileges remove students from the daily safety and supervision of campus, **students must demonstrate strong academic readiness and responsibility**.

To qualify for Off-Campus Privileges, **students MUST meet all of the following requirements:**

#### 1. Students must be **ON TRACK** with credits.

- Students must have earned enough credits to be considered **on track for graduation**.
- Students who are **behind in credits** will not be permitted off campus and must remain scheduled in on-campus academic support periods.
- Credit standing will be reviewed each semester.

#### 2. Students must meet the **GPA** requirement.

- Students must maintain a **minimum 2.0 cumulative GPA** that shows consistent academic success.
- Students whose GPA falls below the required level may have off-campus privileges **revoked** until they return to good standing.

#### 3. Students must meet **ALL** required state graduation tests.

To be eligible:

- Students must have **passed all mandated state testing** required for graduation (e.g., ELA, Algebra, FAST, EOCs as required by cohort).
- Students who **have not yet met testing benchmarks** must remain on campus during their virtual period(s) so they can receive academic support.

#### 4. Students **MUST** maintain pace in online courses.

- Falling behind in an online course will result in the **loss of off-campus privileges** until progress is corrected.
- Virtual progress is monitored regularly by the grade level team.

#### 5. Students **MUST** follow all arrival and departure rules.

- Students may **not arrive earlier** than 5 minutes before their first on-campus class.
- Students must **leave within 5 minutes** after their last on-campus class.
- Students found in unauthorized locations will receive a **disciplinary referral**, and the privilege will be revoked.

### Why These Requirements Matter

These expectations ensure:

- Student **safety**
- Academic **success and graduation readiness**
- Appropriate **supervision** during the school day
- Responsible use of off-campus privileges

### Student & Parent Acknowledgment

By signing the Off-Campus Waiver, you acknowledge that you understand:

- The academic and behavioral expectations listed above
- That these privileges can be revoked if expectations are not met
- That the student must remain in good standing to maintain off-campus access
