

A Message for the Graduating Senior Class of 2026

Class of 2026,

This is it - your graduation day. A day you've dreamed about, worked for, and maybe even wondered if it would ever come. But here you are, standing on the edge of something new, ready to take that next step.

Take a moment to look around. Remember the first time you walked through the halls of River Ridge, the friendships you've made, the challenges you've overcome, and the countless memories that have shaped you. Every late-night study session, every game, every performance, every moment of laughter and growth has led you to this day.

I am so incredibly proud of each of you. Your resilience, your determination, and your spirit have been inspiring. It has been an honor to be your principal, and I have no doubt that the future holds amazing things for you.

So, take it all in - this is your moment.

Congratulations, Class of 2026

Dear Class of 2026,

It has been an honor to watch you grow, learn, and rise to meet every challenge placed in front of you. As your class sponsors, we have had the privilege of seeing your resilience, your creativity, and your determination firsthand. You have shown what it means to lead with heart, to support one another, and to stay committed to your goals even when the path wasn't always easy.

As you stand on the threshold of a brand-new chapter, we hope you carry forward not only the knowledge you've gained, but also the confidence that you can achieve truly remarkable things. Trust your abilities, stay curious, and continue to surround yourself with people who inspire you to be your best self.

“Go confidently in the direction of your dreams. Live the life you have imagined.” — Henry David Thoreau

Most of all, remember that success isn't just measured by accomplishments, but by the kindness you show, the integrity you uphold, and the impact you leave on the world around you.

Congratulations, Class of 2026. We are incredibly proud of each and every one of you, and we can't wait to see the amazing places life will take you next.
